

HEAVY DUTY FILM SLITTER WITH ROTARY BLADE **A57**

LIMITED BLADE EXPOSURE

Helps reduce injury risk

Code: A57

The A57 is a heavy duty film slitter with a rotary blade that provides you with a smooth and precise cut. The recessed blade design means the blade cannot come close to you or your goods, reducing the risk of having unnecessary injuries. The ergonomically shaped handle helps you to work quickly and effectively. Additional non slip rubber grip on handle gives you maximum comfort. The knife also includes a handy small metal slitter located at the head of the tools for cutting adhesive tapes.
