STANDARDS & CERTIFICATION

Force360 source their entire range of hard hats from a single manufacturing partner to ensure consistency and reliability of product. Most importantly **Force360** have taken the further step by engaging **SAI Global** to periodically audit and certify both the manufacturing process and the products. All of **Force360's** hard hats are certified to AS/ NZS 1801. This standard in part ensures shock absorption, resistance to penetration, stiffness of the shell and electrical resistance are all within specified parameters. For **Certified Australian Standard** protection, only wear head protection with the Red Tick Tower.
