Colours

 Wheat Nubuck

Sizes

4 - 14 | Full Sizes

6.5 - 12.5 | Half Sizes

Description

150mm high ankle boot with scalloped padded collar and tongue plus low profile scuff cap.

Upper Materials

Cowhide water-resistant Nubuck leather and stitched in Nylon thread.

Toe Cap

200J Safety Steel.

Lining Materials

This boot is lined with Baltico®, which is a soft, non-abrasive, hydrophobic material that wicks perspiration away from the foot, enabling the skin to remain cool and dry.

Full Innersole

All day comfort with a twist: Made up of 49 strands of stainless steel braided together, injected and wrapped with nylon, the Boa® System is incredibly tough and durable. Simply spin the dial for a snug and secure fit, and pull to release the wire. The precise tension adjustment alleviates pressure points, offering all day comfort.

Insole

Heavy-duty, flexible anti-bacterial non-woven insole.

Midsole

Directly moulded Polyurethane midsole for greater shock absorption.

Outsole

Antistatic Thermoplastic Urethane (TPU) outsole for superior wear properties. Heat resistant to 130°C.

Trisole™ Comfort Technology Soling System

The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON® as energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.
