

HeartSine Samaritan 350P Defibrillator

Defibrillators

Code: RD350 (Semi-Automatic)

- Public Access Defibrillator with CPR Coaching
- Compact, Easy-to-Use, Lifesaving Technology. Sudden Cardiac Arrest (SCA) is a leading cause of death globally. Response time is critical for survival. The samaritan® PAD 350P is designed especially for use in public areas by providing a sophisticated defibrillator for adult or paediatric use, inside a lightweight and easy-to-operate system.
- Portable and lightweight. The samaritan PAD 350P is lighter (1.1 kg/2.4 lbs) and smaller than other defibrillators.
- Durable. The samaritan PAD 350P resists shock and vibration and carries an IP56 Rating, the industry's highest rating against dust and moisture ingress. It also carries a ten year unit warranty.
- Advanced technology. The samaritan PAD 350P utilizes proprietary electrode technology, advanced and stable firmware, and proprietary SCOPE™* Biphasic technology (an escalating and low-energy waveform that automatically adjusts for patient impedance differences) to assess rhythm and recommend defibrillation if necessary.
