

FASTAID FOCUS™ EMERGENCY BURNS STATION

Description

- Dual-purpose wall mountable and portable plastic case
- Includes two sealed burn modules for quick, hygienic access
- Integrated 500ml sterile eyewash bottle
- TGA registered no. 128314
- Ideal for manufacturing and construction workplaces

The FastAid Focus™ Emergency Burns Station is a high-visibility, wall-mounted emergency first aid station designed to provide rapid and effective treatment for burn injuries. Also includes a handy burns treatment guide.

Equipped with two individually sealed burns modules and a 500ml sterile eyewash bottle, this station ensures quick and precise response during critical moments. Each module contains specialized burn care items such as hydrogel dressings, cooling gels, and protective burn sheets for immediate relief.

The durable red plastic case with a translucent cover enhances visibility, allowing users to quickly confirm the availability of contents, while the quick-detach wall mount ensures easy portability in emergencies.

Ideal for industrial workplaces, manufacturing, and construction environments, the FastAid Focus™ Emergency Burns Station is engineered to protect contents in dusty or high-risk areas. Includes wall mount screws and wall plugs.

Dimensions: 18 (W) x 27 (H) x 8 (D) cm
