

# FASTAID FOCUS™ EMERGENCY BIOHAZARD STATION

## Description

- Dual-purpose wall mountable and portable plastic case
- TGA registered no. 128314
- Two sealed sharps modules and two sealed body fluid modules for safe, hygienic response
- Integrated first aid guidance for infectious waste management
- Ideal for manufacturing and construction workplaces

The FastAid Focus™ Emergency Biohazard Station is a high-visibility, wall-mounted emergency solution designed to provide fast and effective management of sharps and biohazard waste. Also includes a handy clean-up and disposal guide.

Equipped with two sealed sharps modules and two sealed body fluid modules, this station ensures quick and safe response during critical moments. Each module contains essential items for cleaning up and disposing of potentially dangerous sharps and infectious waste.

The durable yellow plastic case with a translucent cover enhances visibility, allowing users to quickly confirm the availability of contents, while the quick-detach wall mount ensures easy portability in emergencies.

Ideal for industrial workplaces, manufacturing, and construction environments, the FastAid Focus™ Emergency Biohazard Station is engineered to protect contents in dusty or high-risk areas.

Includes wall mount screws and wall plugs.

Dimensions: 18 (W) x 27 (H) x 8 (D) cm
