

## Uniquely Designed to Help You Minimise Waste, Save Money, Store and Organise.

### A wide variety of storage options available

Ziploc brand seal top bags are available in a variety of sizes. Protect your food with Ziploc® brand Storage Bags. Each bag blocks out air and locks in freshness, which means less wasted food and money. Plus, our Smart Zip® Plus seal lets you feel, hear and see the bag close from edge-to-edge, so you can feel confident your food is protected.

## Sustainability

Ziploc® is proud to be an official REDcycle program partner, and our support, along with other manufacturers, facilitates the transport and recovery of all types and brands of soft plastics material, not just Ziploc®, from drop off locations nationally.

- Ziploc® brand bags are recyclable via the national REDcycle program's in-store drop off points located at more than 1800 Coles and Woolworths stores nationally.
- Ziploc® cartons are made from 100% recycled paperboard with a minimum 35% post-consumer content. They are recyclable via Kerbside recycling.

## Precautionary Statement

When using in microwave, place bag on a microwave-safe dish. Handle with care. Bag and contents may be hot. Do not overheat contents as bag may melt. To avoid danger of suffocation, keep bags away from babies and young children.
